A huge thank you to the entire SPACE team for going above and beyond!

We recently celebrated my daughter's Bat Mitzvah at SPACE, and I am still over the moon about how perfectly everything turned out.

From start to finish, the entire experience was seamless. Our initial conversations with SJ were so reassuring, and Sara made the planning process easy, organized, and fun.

The graphics, décor, and AV teams were incredible—patient, thoughtful, and full of creativity. The food was fantastic!

Every detail was handled beautifully. The catering staff and bartenders were attentive and on top of everything all night long. The event was absolutely perfect. I couldn't be more thrilled and grateful.

Jordanna's bat mitzvah was a 10 out of 10! Sara, our event planner, was so easy to work with. She was on top of everything and made the planning process a pleasure. The night was above and beyond our expectations! The graphics were amazing, the menu was great and everyone raved about the food, photo booths, lighting, set up of the room for adults and kids was ideal, the staff was on top of all of our requests and yet, went totally unnoticed by the guests. I can go on and on. Highly recommend Space, they are mitzvah pros!

A Truly Unforgettable Bar Mitzvah Celebration!

We had all 3 of our sons parties at Space and you guys NEVER disappoint. I cannot say enough wonderful things about the experience! From start to finish, the team went above and beyond to make the day absolutely perfect. The attention to detail, professionalism, and warmth of the staff made us feel so supported throughout the entire planning process and on the big day itself.

The venue was stunning—elegantly decorated yet versatile enough to reflect our personal style and theme. The lighting, seating arrangements, wonderfully designed center pieces and overall ambiance created the perfect atmosphere for the celebration. The food was absolutely delicious, with a wide variety of options that catered to all dietary needs, and our guests are still raving about it!

What truly stood out was the staff's dedication to making the event special. They were attentive, accommodating, and always one step ahead, ensuring everything ran smoothly. DJ Charlie, who we absolutely adore, kept the kids entertained and the adults comfortable. Everyone handled a large party seamlessly.

Our son had the time of his life, and so did we! It was a joyous, stress-free day filled with laughter, dancing, and unforgettable memories. If anyone is looking for a venue that combines exceptional service, a beautiful setting, and a team that genuinely cares, we would highly recommend Space. We are so grateful to all of you and it's sad to say good bye since Sam is our last one, but we will recommend you guys to all our friends wholeheartedly!
